International center for education and scientific information (Dusseldorf, Germany)

REGULATIONS AND PROVISIONS

of the SCIENTIFIC JOURNAL "BULLETIN of the International center for education and scientific information (Germany)»

I. GENERAL PROVISIONS

1.1. The scientific journal "Bulletin of the international center for education and scientific information (Germany)" is published in accordance with these Regulations and provisions

"Bulletin of the international center for education and scientific information (Germany) " was founded in 2019.

Founders: Directorate of the International center for education and scientific information (Germany)".

The journal publishes original scientific materials that cover current problems of branches of knowledge presented in scientific research activities, as well as aimed at implementing the results of scientific research in educational activities and education. The main requirement for the published material is its compliance with high scientific criteria (relevance, scientific novelty, etc.). In the text of articles should give preference to references to publications of the last 5 years.

The "Bulletin of the international center for education and scientific information (Germany)" publishes materials related to the following branches of science and groups of specialties:

1 Society and personality (pedagogy, psychology, sociology, law and jurisprudence, military sciences and national security, political science and international relations, religion, demography and ethnography, history and archaeology, philosophy)

2 Language, culture and modern global challenges (Philology and linguistics, journalism and social networks, cultural studies, urban studies, art history, art design).

3 Exact Sciences, engineering and technologies at the present stage (physics, mathematics, computer science, engineering, technology, mechanics, energy science, construction, architecture, infrastructure, transport, communications, technical design)

4 Green world (ecology, biology, veterinary science, agriculture and forestry, chemistry, pharmaceuticals, medicine, sports, health, nature management, geology, geography)

5 Economics and management: problems of sustainable growth and development (economics, finance, accounting and audit, management, state and local management, standardization, certification and quality management of goods and services, marketing, tourism)

The periodicity of the Bulletin is set in the number of 2 issues per year (1 every 6 months) up to 20 conditional printed sheets.

The magazine has an ISBN, BBK, UDC and all the necessary details. There are no plans to publish a printed version of the magazine.

It is planned to issue special issues of the journal, appendices to the journal about a specific branch of knowledge and science, as well as about specific materials of scientific and methodological conferences held at the International center for education and scientific information (Germany).

"Bulletin of the international center for education and scientific information (Germany)" has the ISSN number, which provides information about it in the relevant international abstract journals and editions

II. ORGANIZATION OF ACTIVITIES FOR THE PUBLICATION OF THE JOURNAL

2.1. The journal is managed by the editorial board (hereinafter referred to as the editorial Board), which is approved by the decision of the Council of the "International center for education and scientific information (Germany)". The editorial Board of the journal is formed on the principle of representation of various branches of science from among the leading scientists of the "International center for education and scientific information (Germany)". The editorial Board includes the editor, Deputy editor, Executive Secretary, members of the editorial Board. The editorial Board is headed by the chief editor, who ensures coordination of the whole cycle of works on preparation of each issue. The editor may delegate some of his powers to his Deputy. The Deputy editor-in-chief carries out the instructions of the editor-in-chief on the management and organization of the editorial Board. The Executive Secretary controls the receipt and processing of received materials, ensures their registration, monitors compliance with the requirements for the design of manuscripts in accordance with the requirements of GOST standard and The rules for authors, if necessary, organizes the work of the editorial Board. The editorial Board prepares the journal for publication. Members of the editorial Board on behalf of the chief editor can participate in scientific editing of articles. The editorial Board may apply to the Council of the International center for education and scientific information (Germany) to change the status of the journal and the periodicity of its publication.

III. PROCEDURE FOR CONSIDERATION, APPROVAL AND REJECTION OF ARTICLES

3.1. The "Bulletin of the international center for education and scientific information (Germany)" publishes articles by scientists, researchers, postgraduates, doctoral students, undergraduates and students in English, German and Russian. Manuscripts of publications are prepared in accordance with the requirements of The Rules for authors. If necessary, The Rules for authors can be revised, but not more than once a year.

3.2. To be included in the BULLETIN, you must submit to the editorial Board in electronic form by E-mail: iwg-zeitschrift@gmx.de the following materials:

- article for publication;
 - completed registration form of the conference participant and all co-authors (if any);
 - a scanned copy of the registration fee payment receipt.
- Articles sent exclusively by e-mail are accepted for consideration.

When sending by e-mail, in the "subject" section of the e-mail, specify: "Article (name of the first author)".

The manuscript of the article is accompanied by a review of a specialist of the relevant branch of science with a scientific degree of doctor or candidate of Sciences. The review must be certified at the place of work of the reviewer. Articles are printed in the order of their receipt in the editorial office. The article must comply with the rules of registration of articles for the journal " Bulletin of the international center for education and scientific information (Germany)". Manuscripts submitted in violation of the above-mentioned rules are not accepted by the editorial Board. The Executive Secretary of the editorial Board can independently send the manuscript for revision if its design does not comply with the established rules of design.

3.3. All articles are peer-reviewed. The results of the review and the decision of the editorial Board to accept the submitted article for publication in the journal "Bulletin of the international center for education and scientific information (Germany)" are communicated to the authors by e-mail.

Minor stylistic and formal corrections are made to the article without the consent of the authors. If more serious corrections are needed, the edit is agreed with the authors or the article is sent to the authors for revision. If the article is sent to the author for revision, the date of receipt is the date of return by the author of the revised article.

IV. RULES FOR REGISTRATION OF ARTICLES

4.1. Materials are submitted to the editorial office in electronic form by mail at iwgzzeitschrift@gmx.de. The volume of a scientific article should not exceed 1 printed sheet. On the first page of the article, the UDC index is placed in the left corner, then in the following order: the title of the article, the initials and surname of the author/authors, their academic degree, academic title, position and place of work and contact information (index, postal address, phone, E-mail), abstract in Russian (at least 5 lines) and keywords separated by semicolons (at least 7). The abstract should clearly state the main content of the article and be suitable for publication separately from the article. References to information sources (quotes, figures) are required in the article. References are numbered according to the order of citation in the text. The sequence numbers of the links should be written inside square brackets indicating the page from which the quote is taken. At the end of the article is a list of references. The article bibliographic list is made out in alphabetical order according to GOST. The article is completed with an abstract in English indicating the title of the work, academic degree, academic title, position, place of work of the author (postal address, phone number), keywords and a list of literature in English.

The editorial Board accepts texts prepared in MS Word for Windows format. Font Times New Roman, font size of the main text 14, list of references 12, single interval, paragraph indent 1.25.

Margin size: top 2.5 cm, bottom 2.5 cm, left 3 cm, right 1.5 cm.

All pages, starting with the title page, must be numbered sequentially.

The text of the submitted manuscript is final and must be carefully verified and corrected.

V. PROCEDURE OF THE DISTRIBUTION AND REALIZATION OF THE JOURNAL «BULLETIN of the international center for education and scientific information (Germany)»

5.1. Each author of an article has the right to receive an impression of an article published in the journal. Mandatory free mailing is carried out according to the register approved by the editorial board.

VI. FINANCIAL SUPPORT FOR THE PUBLICATION OF THE JOURNAL

6.1. The journal is published on the basis of funding from the International center for education and scientific information (Germany). The funds received from the subscription and sale of issues of the magazine are spent on the material and technical support of the magazine's publication.

The amount of the registration fee is: 50 euros / 3,500 Rus. Rubles / 20 000 Tenge – for one article (regardless of the number of co-authors);

You can pay the registration fee in any convenient Bank nearby.
